

Remote Control Quick Reference Guide

eastlink

Model # Champion 2025

Visit www.urcsupport.com for more set up information and specific device codes. You can also watch a demonstration video on how to program your remote control.

Accessing Free Eastlink OnDemand

Imagine a library of shows just waiting for you. It's as easy as scrolling through the menu, picking the program you want, and hitting play. You also have the ability to pause, rewind, and fast forward just like your VCR or DVD Player. OnDemand puts you in control of your TV experience. That's TV on your time!

Simply press  on your Eastlink Digital Cable remote.

FREE TV OnDemand

The TV OnDemand menu includes 1000's of hours of Free programming including Prime Time TV, Children's Programming, Sports, Music, and more. Plus, we feature our local programming from communities across Canada. Browse through the Eastlink TV OnDemand menu to view exclusive programming including sports, documentaries and other events produced in our communities across Canada.

Movie Rentals & Events OnDemand

Can't find a video store? Why not save the trip? Browse through our Movie Rentals menu to find new release movies including HD and 3D (usually available the same day as DVD) and old favourites. You can also watch a free preview of most programs before watching. Once ordered watch it on your schedule, as many times as you want during the rental period, and the costs will automatically appear on your next Eastlink statement.

Subscription And Movie Channels OnDemand

When you subscribe to a premium movie package, like Hollywood Suite, Super Channel, or HBO, you can access the programming provided by that network OnDemand! Free with your subscription, and it's not just movies! Browse the menus and choose from hundreds of movies, special events, or your favorite series. Access past episodes that you may have missed and watch them as many times as you like.

We also offer OnDemand channels that you can subscribe to, like Anime Network OnDemand and WWE 24/7. Your subscription gives you access to unlimited, all-you-can watch programming.

Visit eastlink.ca to view a list of our OnDemand selections.

Remote Control Quick Setup

Model # Champion 2025

Program your remote control to operate up to 3 additional devices.

- Turn the device you wish to program on. (TV, Sound System, DVD Player, etc.)
- Press and hold SETUP until the device button blinks twice
- Press the device button you wish to set up (DVD, AUDIO, TV)
- Press and hold the OK/SELECT button until your device(s) turns off

Set the WATCH CABLE button to turn all of your programmed devices ON and OFF

- Turn all of your devices ON
- Press and hold SETUP until a mode button blinks twice
- Press the mode button for each device you wish to turn on when you are ready to watch TV
- Press and hold SETUP until a mode button blinks twice

Setting Volume Controls

- Turn your TV and Audio System on (if applicable)
- Press and hold SETUP until the device button blinks twice
- Press VOLUME+ button
- Press the device button that you wish to use for volume control (AUDIO or TV)

Tips

- Pressing the WATCH CABLE button turns your home theater equipment ON or OFF and puts the remote into CABLE mode
- A device button will blink 5 times with each button-press when batteries need replacement
